

## The perfect case for perfect Coffee

**Our Customer.** Beyond the Bean

**Their Customer:**

### Brief

They wanted to 'hand pick' their top selection of the best gear they supply and pack them into a case with a custom made insert.

### Just their Cuppa!

Beyond the Bean are doctors in coffee, if there was a PHD in coffee they would run the course! Beyond the Bean are a company that provides coffee supplies to coffee shops, cafes and restaurants, they supply independently and are not affiliated with any coffee bean or machine supplier.

Using the Ergo100 and a presentation foam insert in the lid and base Beyond the Bean are satisfied that their products are safely stored, presented and complimented.
